1

SCAN THE CODE

Point your phone camera at the code on the right. The AR page opens in your browser — nothing to install.

2

ALLOW CAMERA & SOUND

Tap Launch AR and allow camera access when the browser asks. Sound starts muted — tap the speaker icon to turn it on.

3

FRAME THE ARTWORK

Aim at the artwork above and keep the whole piece in view. The film locks onto the artwork and plays while you walk around it.
